****REFER TO DEALER ORDER GUIDE/DATA BOOK FOR MODEL AND
OPTION AVAILABILITY AND APPLICATION****

- (a) Dealer invoice includes Holdback amount retained for dealer's account in accordance with applicable vehicle terms of sale bulletin.
- (b) D/H Charges on vehicle and optional equipment include reimbursement to ordering division for any tax that it has paid, incurred or agreed to pay thereon.
- (c) Manufacturer's Suggested Retail Prices, Employee Prices do not include applicable destination charges (DFC), state and local taxes, and license and registration fees.

To estimate the price of a Company-Owned used vehicle, including PEP, (Excluding taxes, title, registration, and other fees):		<u>Vehicle</u>	<u>Model</u>
		<u>Mileage</u>	<u>Discount</u>
		1 - 3000	4.5%
1.	Determine Employee price including \$150.00 administration fee	3001-6000	7.5%
2.	Using the mileage discount table at right, determine appropriate mileage discount as percentage of <u>Base Model List Price</u> , (i.e., excluding options)	>6001	11.0%
3.	Deduct discount from Employee price		
For complete rules and guidelines, see the Vehicle Programs page of the Employee Service Center in GM Socrates
